

Suffield Veterinary Hospital July 2017 Pet and Owner of the Month

Suffield Veterinary Hospital again sponsored a "Why My Pet Is Special" essay contest for 3rd & 4th graders at McAlister School. Below, we are proud to present the winning essay from Juliana Balsamo (in Ms. Cronin's class) about her dog Chloe. This adorable photo was taken by Lil Blue Farm photography.

My dog Chloe is special because she likes to do obstacle courses and jump over boxes. One of my favorite things about my dog Chloe is when we take her to your guys vet cause she never cries, you guys are so gentle. My dog is a toy (small) shih tzu and her hair is black and fluffy. We adopted her from my mom's friend. Her dog had babies. We got her when she was 8 weeks old. Chloe is my brother's service dog. She never bites and she also loves people. A funny time was when she was barking at a blueberry and then I picked it up and she was scared of it.

Thank you for doing this it's an honor.
