

## Suffield Veterinary Hospital October 2014 Patient of the Month

Meet sweet Phoebe, owned by the Oeser family of Suffield. This adorable photo was taken by Lorilee's Photography of Enfield.

Linda Oeser writes: *Phoebe, who will be turning 11 this November, likes people more than other dogs! She loves to cuddle and be carried around. She loves to go for car rides and look at the scenery, but mostly, she loves to eat and has a hearty appetite! I have had a few other dogs in my lifetime, but Phoebe is special in so many ways...her facial expressions are so intense, they are almost human!*

*I adopted my daughter, Lacey, at age 10 and since she moved she claimed Phoebe as her own. They ate, slept, and watched together. On one occasion, my daughter dyed her hair purple and to no surprise, Phoebe was sporting her own purple mane! Phoebe is such a good sport and is our family's very own therapy dog!*

*Phoebe recently starred in Suffield High School's Spring 2014 play "Legally Blonde." She played one of the leading roles as "Bruiser." She received all the benefits of being a star, spent free time and received a lot of attention and snacks in school with the librarian, secretarial staff, teachers, and students. Her most favorite time spent was with the drama club, drama teacher, and getting attention from the audience!*

*Phoebe has been a true blessing to our family and has made quite the name for herself in the Suffield High School community and our neighborhood. We treasure every moment with her and hope that she will continue to enrich our lives for many years to come. She is our gem and we love her!*

In honor of her starring role in "Legally Blonde" at the high school, and for being such a wonderful friend to a little 10-year-old girl learning to fit into a new family, Suffield Veterinary Hospital is proud to name Phoebe our October Patient of the Month!
