

Suffield Veterinary Hospital March 2025 Patient of the Month

Meet Louie, a six-year-old neutered male Bulldog owned by Alexa Greco and her family of Glastonbury. If you follow our Patients of the Month, you know that we generally try to select a patient with a history that may alert our readers to a specific disease or condition that we want to share, or they have achieved honors or titles to be proud of. Louie was selected, to be shameless, because of how much he loves us!

Here's a little background on Louie from Alexa: "In 2018, mutual friends told us about an English Bulldog breeder who had a puppy available. Having had an English Bulldog years ago and falling in love with the breed, we were intrigued. The moment we saw Louie, it was love at first sight. His pure white coat, speckled ears, and inquisitive nature captured our hearts instantly. Louie blended into our lives seamlessly. He quickly became the center of attention — loving cuddles, playing with stuffed toys, hide and seek, monkey in the middle and showing an uncanny ability to spot a baseball from miles away — he's obsessed with them!"

Last year, Louie faced a tough challenge with skin allergies and infections, leaving him uncomfortable and his skin and coat raw. After working through the different possibilities for Louie's condition, we treated him with Apoquel, a tablet that is remarkably effective for most canine allergies. Louie's skin cleared up beautifully, and he regained his stunning white coat.

We agree with the Greco family that Louie has the best personality — friendly, curious, and always eager to meet new people. He even enjoys car rides, especially if it means a visit to Suffield Veterinary Hospital. Which is why we selected Louie for this honor! For always responding to "Want to go see Dr. Huntington?" by running in circles, barking, and wagging his whole body exuberantly, we are tickled to call Louie our March 2025 Suffield Veterinary Hospital Patient of the Month.

Louie with Alexa and Dr. Huntington

Suffield Veterinary Hospital

Dr. Ann Huntington ❖ Dr. Anita Sabellico ❖ Dr. Dawn Burke

Dr. Daniel Rothbart ❖ Dr. Emilie Laston

577 East Street South (Route 159), Suffield, CT 06078 (860) 668-4041
